Pre/Post Doctoral Trainee Application

Fall 2015 – Spring 2016
TO: Interested Pre-Doctoral and Post-Doctoral Students

FROM: Prisca Franklin, Program Coordinator

SUBJECT: 2015-2016 LoneStar LEND Fellowship Program

Applications are now being accepted for the 2015-2016 LoneStar LEND Fellowship Program at the University of Texas Health Science Center at Houston. Enclosed please find program information and an application form. Adults with developmental disabilities, parents and/or siblings of individuals with developmental disabilities, and individuals from diverse backgrounds are encouraged to apply.

Application Checklist

☐ Completed 2015-2016 Professional Trainee application
☐ Curriculum Vitae/Résumé
☐ Two letters of recommendation, including LEND cover sheet
☐ Official transcripts from all universities attended

Please return application materials **by May 1, 2015** to:

Prisca Franklin  
LoneStar LEND, CLI  
UT Health Science Center at Houston  
7000 Fannin, UCT 2476 C

Components of LoneStar LEND (abridged)

1. LEND Orientation:
   a. First Tuesday in July 9am - 4pm

2. LEND Seminars
   a. July – August: Tuesdays & Fridays 9:00am – 4:45pm
   b. September – June: Fridays 9:00am – 4:45pm

3. Leadership Project
   a. Weekday time with team members

4. Research Project
   a. Weekday time in lab

5. Families as Teachers
   a. Four lectures from Family Faculty; 2 encounters with assigned mentor family and attendance at 2 parent panels

6. Clinical Practica
   a. 32 clinical rotations (1/2 day – full day each)
   b. Completed outside of Friday LEND seminars

7. Leadership Weekend
   a. Extended weekend in late August; full day (Friday – Sunday)

8. LEND Conference
   a. Early Spring (Thursday – Friday); Houston, TX

9. BCM Transition Conference
   a. Date TBD (Thursday – Friday); Houston, TX

   OR

10. Texas A&M Transition Conference
    a. Date TBD; Dallas, TX

11. Developmental Screening events
    a. Two Saturdays throughout LEND year
Program Requirements for LoneStar LEND Trainees

The mission of the LoneStar LEND Trainee program is to create leaders in the field of Autistic Spectrum and other Neurodevelopmental Disabilities (ASD/ND) within an interdisciplinary training model focusing on cultural competence and evidence-based practice. During their 12 month appointment, each LEND Trainee will complete a total of **600+ hours** of training and learning activities including:

- LEND Didactic Seminars and Leadership/Cultural Competence Training
- Clinical Practicums
- Research Project
- Conference Participation
- Family Practicum
- Leadership Project
- Additional LEND activities including readings, reflections, discussion groups, outreach, etc.

**LEND Didactic Seminars and Leadership/Cultural Competence Training**
Mandatory sessions will be held on Tuesdays and Fridays July – August and thereafter on Fridays only through the end of your LEND appointment. For a sample of the previous year's didactic seminar calendar, visit www.lonestarlend.org.

These sessions will occur mainly at the UTHealth University Center Tower, 7000 Fannin; however some may be scheduled at the UT Medical School, 6431 Fannin or the UTHealth School of Nursing (SON), 6901 Bertner. Three two-hour sessions are scheduled each day: 9:00-11:00AM, 12:30 – 2:30PM, and 2:45 – 4:45 PM. Training sessions will include:

- LEND Orientation July (exact date TBD)
- Didactic Seminars
- Leadership and Cultural Competency Curriculum (held on a Friday/Saturday)
- Families as Teachers, Research and Clinical Review Sessions
- Team Building and Group Projects

Attendance at the seminars is required. A limited number of absences are allowed for professional conflicts or illness. Please review the attached attendance policy. In addition to the scheduled training sessions, Trainees can expect to spend an average of 8-12 hours per week on LEND activities such as clinical practicum, research, family practicum and other LEND activities, assignments, and projects.

**Clinical Practicum**
Trainees will participate in a wide variety of clinics and community observational experiences. At total of 32 clinical rotations must be completed within the LEND year, each rotation spans between 4-8 hours. Trainees are responsible for contacting clinics to schedule observations and will keep a log of observational experiences for review by the Training Coordinator at periodic clinical review sessions.

**Research**
LEND fellows are responsible for completing a research project over the course of the year. Trainees will review a selection of current faculty research projects and will meet with LEND faculty prior to choosing a research mentor and selecting their project for the year. The goal of the research project is for the fellows to gain experience in conducting research that culminates in a
product that can be disseminated (e.g. via publication, platform or poster presentation). A Masters or Dissertation thesis from the Trainees' academic program can be used if applicable. Trainees are expected to present their research projects as part of the annual LoneStar LEND Conference in the Spring. To prepare for the research project, online CITI Training modules must be completed prior to August 1. Instructions for completing the CITI training course will be provided to Trainees during the first week of seminars.

Conference Participation
All Trainees will attend the annual LoneStar LEND conference held in the early Spring (exact date TBD). Trainee research project results will be presented at a poster session at the annual conference. Conference registration funds will be provided for trainees to attend at least one additional conference (from a group of selected conferences) during the program year.

Family Practicum
Each Trainee will be paired with a mentor family of a child with an ASD/ND in order for the trainees to share a family's viewpoint of how they experience the process of diagnosis, treatment, and day-to-day life with ASD/ND. Trainees will schedule a minimum of two encounters with their assigned mentor family prior to April 30, 2015. In addition, Trainees will attend two parent panels where a variety of disabilities and ethnic backgrounds will be represented. These interactive panels will be moderated by the LEND family faculty and will expose trainees to a variety of ASD/ND topics from the families perspectives. Upon completion of the Family Practicum, trainees will participate in a wrap-up session where each trainee reflects upon the experience through a brief presentation to their peers. The presentation will focus on how system and service availability and/or gaps were highlighted by the families' experiences and ideas for services to fill those gaps. The trainee will also highlight how they were most impacted by the family practicum experience and how they anticipate this will affect their practice in the future.

Leadership Project
During the course of the LEND year, each trainee pursues an area of particular personal interest through the Leadership Project. Conceptualized and completed in interdisciplinary groups of 3 - 4 trainees, the Leadership Project will provide multiple opportunities for trainees to experience issues they will face in practice such as accountability, outcome-based approaches, family-centered models, collaboration, and interdisciplinary decision-making. Each of these components offers opportunities for trainees to enhance and strengthen their leadership skills. Trainee groups will present their leadership project at the conclusion of their program (date TBD). The Leadership Project should focus on an issue in the field of disability/special health care needs and systems change. Each project will result in production of a product (brochure, web page, article, instructional video, etc.). The Leadership Project is an opportunity to integrate relevant material from LEND seminars and take away a broader perspective of working with an interdisciplinary team.

Professional Trainee Application Questions

Directions: Please answer each question below. Your answers can be as long or as short as you choose. Answers should be typed and attached to the application packet for final submission.

1. A large part of the LoneStar LEND initiative are the didactic seminars that take place throughout the day on Friday’s from 9:00am – 4:45pm. There are typically three per day, each lasting 2 hours with a break in between. Would you be able to attend these seminars, based on your schedule?

2. Tell us a bit about yourself. This can include country of origin, hobbies, family life, achievements, etc.

3. Describe previous work experience/scholarship/personal involvement with individuals with ASD or NDs. What is your interest in working with individuals with neurodevelopmental disabilities and their families?

4. What aspect of the LoneStar LEND program is of most interest to you?

5. The LoneStar LEND program is designed to support the development of leadership skills that will assist participants to be effectively engaged in positive social change for people with disabilities. What do you believe are the characteristics of an effective leader? Tell us about any opportunities you have had to be a leader. What skills did you use? And what have you experienced as barriers to effective leadership?

6. As a LEND trainee what strengths would you bring? What do you anticipate as potential challenges?

7. Where do you see yourself in 10 years? What do you see yourself doing? And how does participation in the LEND Program fit with these aspirations?

8. How did you hear about the LoneStar LEND program?

9. Is there any other information about yourself you’d like to share with us?
LEND Fellow Recommendation Letter Cover Sheet

This form is to be completed by applicant and reference. Please attach a copy to each letter of recommendation.

Email: Prisca.Franklin@uth.tmc.edu | Fax: (713) 500-0315 | Mail: LoneStar LEND, 7000 Fannin, Houston, TX 77030

To be Completed by Applicant:

Name ___________________________ Date of Birth (mm/dd/yy) ________________

Applicant’s Statement  I waive  I do not waive my right to review reference materials

Applicant Signature ___________________________ Date ________________________

To be Completed by Reference:

How long have you known the applicant? _____________________________________________

What is (or has been) the nature of your relationship? (i.e. instructor, supervisor, etc.) ______

How well do you know the applicant?

Extremely Well  Fairly Well  Not Very Well

Have you seen him/her directly care for children?  Yes  No

Have you seen him/her directly care for children with special needs?  Yes  No

Would you hire this applicant to work with children who have special needs? Why or why not?
