

Early Childhood Distance Learning Programs

Types of Credit, Credentialing or Degree

Note – This list is for informational purposes only. No official endorsement of any practice, publication, program, or individual by the Texas Head Start State Collaboration Office is intended or is to be inferred.

Online programs, course offerings and Web page addresses change frequently, so the information contained in this list may have already changed. Please check with your local and state licensing agency to be sure the online courses or program you are interested in will meet your licensing requirements. If you plan to transfer credits from online courses into a degree program, be sure the college or university granting the degree will accept the credits and courses prior to enrolling.

Degree Type	School	Website	Degree Options
